Christmas Clinics
Dec. 26 and 27

Baseball Skills Clinic: (Dec. 26, 27)

Athletes in the Elementary School age group will work on the fundamentals of pitching, hitting, and fielding all in one 3 hour clinic. Athletes in the Jr. High age group will choose from either a hitting and fielding clinic on Wed., or the hitting and pitching clinic on Thursday. In addition to the instruction received during the clinic, each athlete will be videoed and given a DVD of themselves from the day. This will allow the athlete to see himself performing each skill and help him to make adjustments crucial to his development. This is a one day clinic and the cost for this clinic is $60.00. Space is limited for these clinics; therefore, we are not able to hold spots without payment. To register for a clinic, call and register by phone, fill out the form below, and mail it along with your payment to the address at the bottom of the page.
